(SHRI RAJEN GOHAIN)
(a) to (c) Delhi area is presently connected to Bangalore by 09 pair of train services which are adequately catering to the needs of passengers of Karnataka area. At present, there is no proposal to introduce a new train from New Delhi to Karnataka due to operational and resource constraints. However, introduction of trains is an ongoing process over Indian Railways and is done keeping in view the traffic demand, operational feasibility, resource availability, etc.
